

De stap van aanbodsturing naar vraagsturing

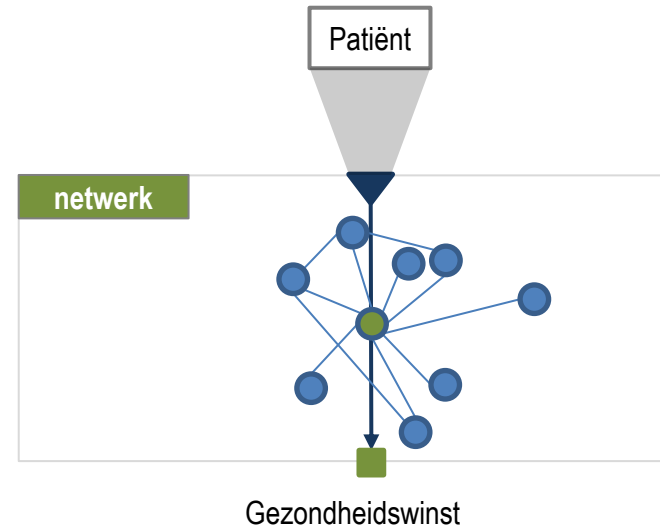

Realisatie en
financiering

Van zorgaanbodsvraag naar gezondheidsvraag

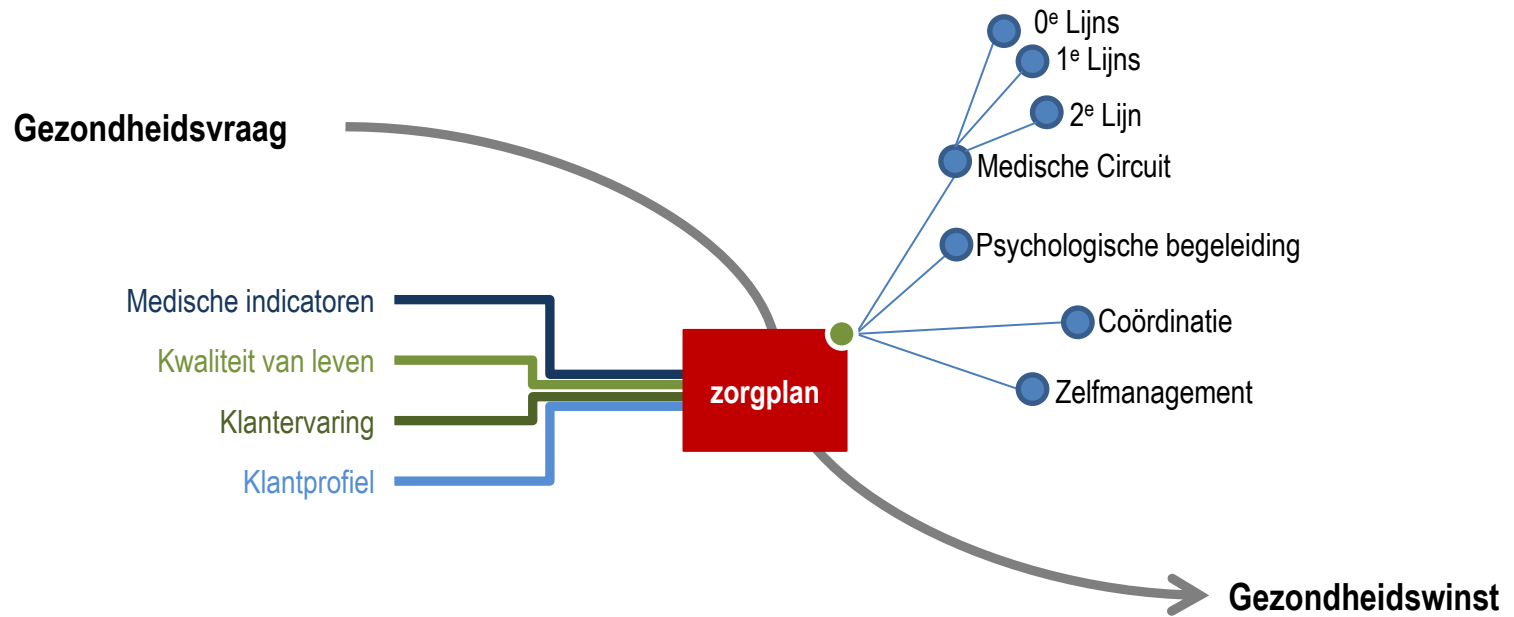

Huidige situatie

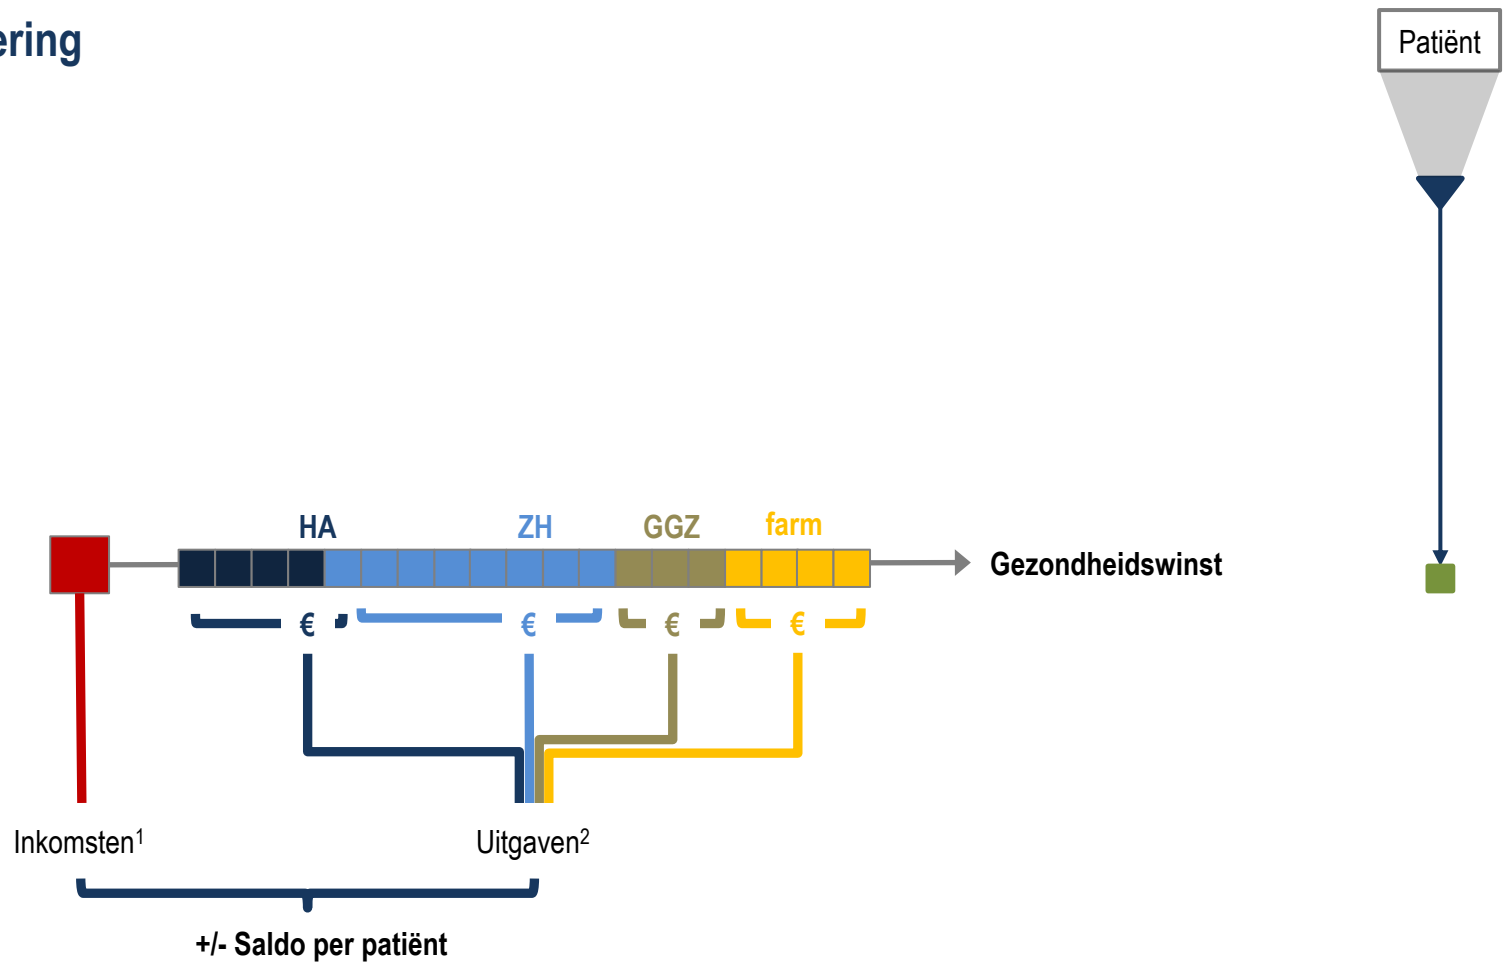

Gewenste situatie

Transformatie van geïntegreerde zorg naar een Duurzame Gezondheids Network

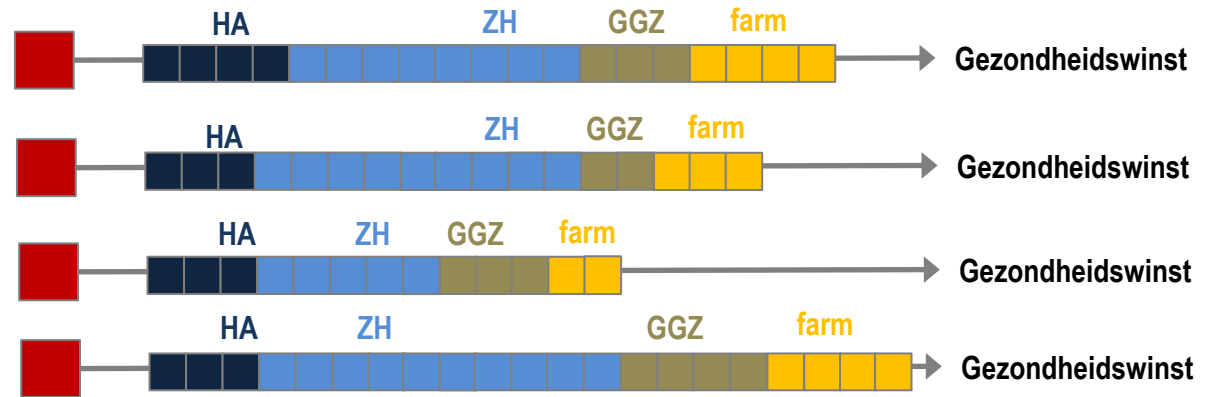

Huidige financiering

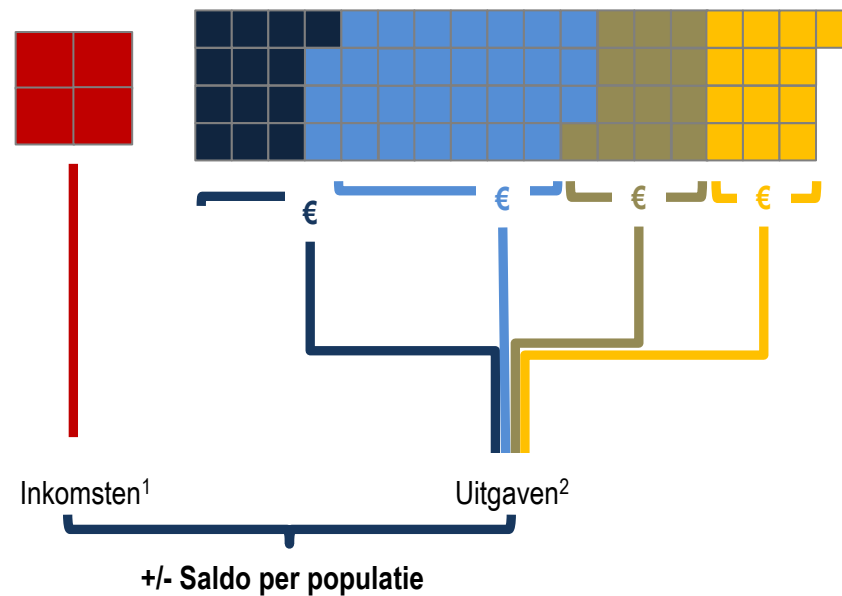

- Zorgverstrekking per zorgverlener
1. Premie, gecorrigeerd voor ziektelast
 2. Per verstrekking

Financiering

Patiëntniveau

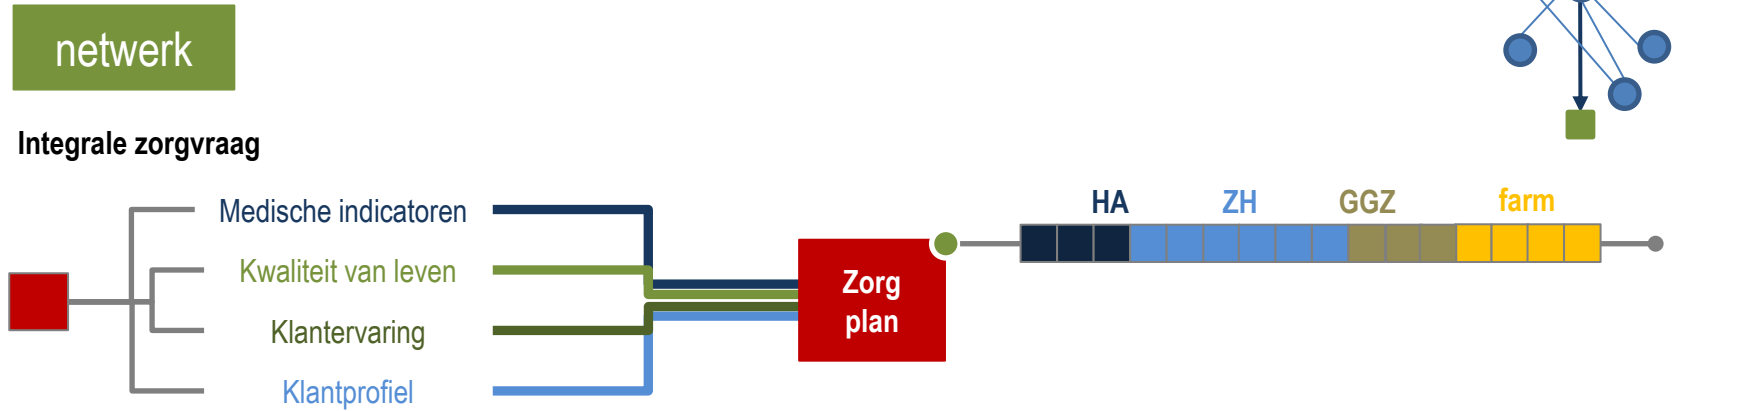

Populatienniveau

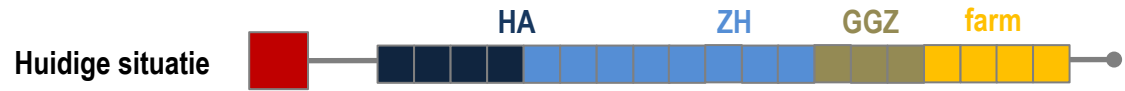

- Zorgverstrekking per zorgverlener
- 1. Premie, gecorrigeerd voor ziektebelasting
- 2. Per verstrekking

Toekomst; patient in netwerk aan de hand van klantprofiel

DGO zorgt voor doelmatigere zorg

Gevolg; minder volume

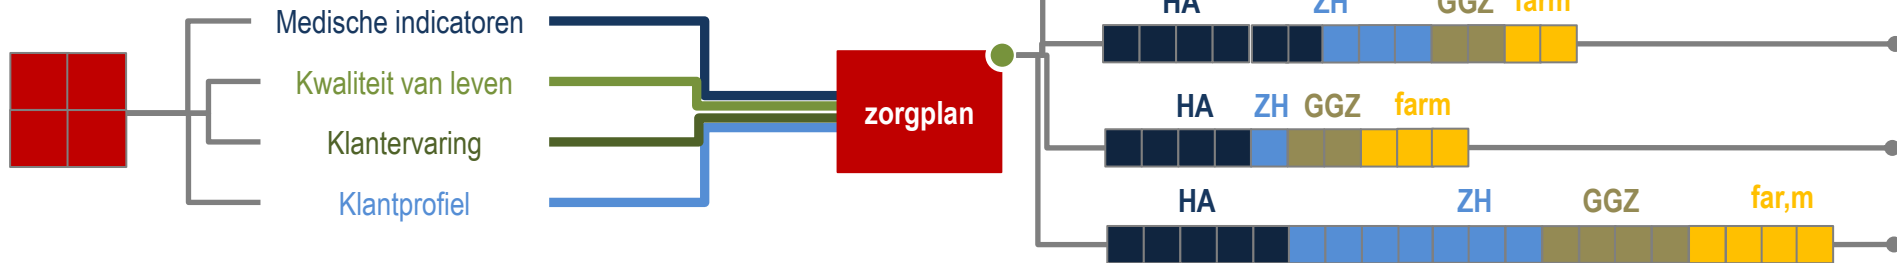

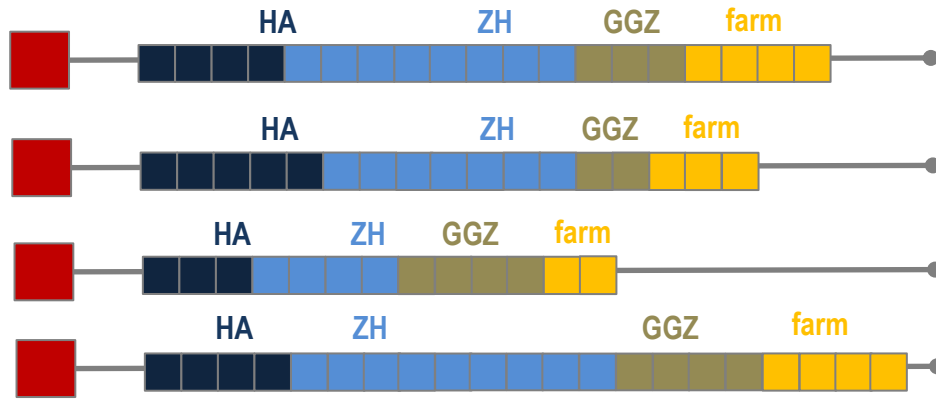

Nieuwe situatie

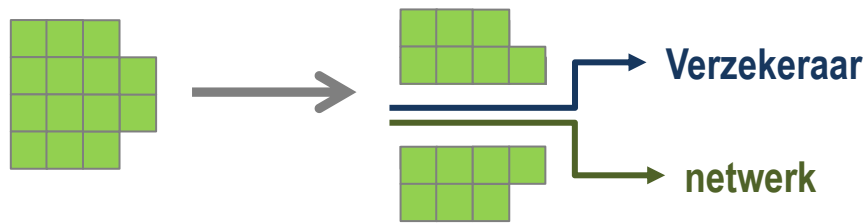

Besparing

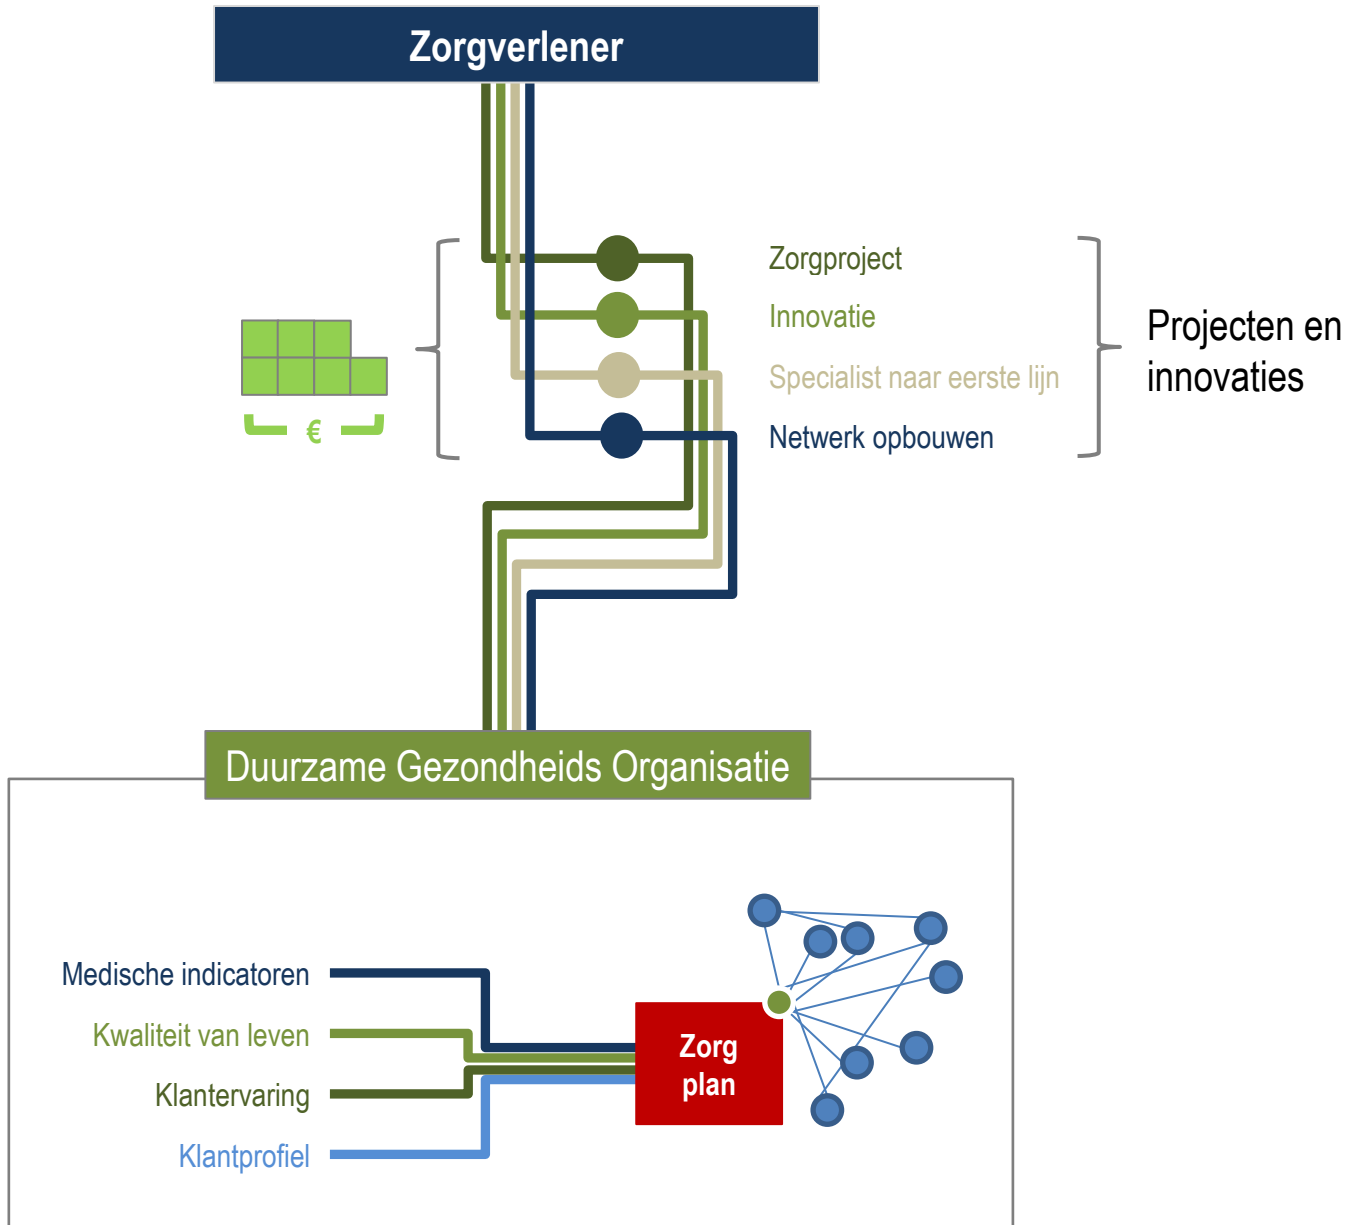

Gevolg op populatieniveau

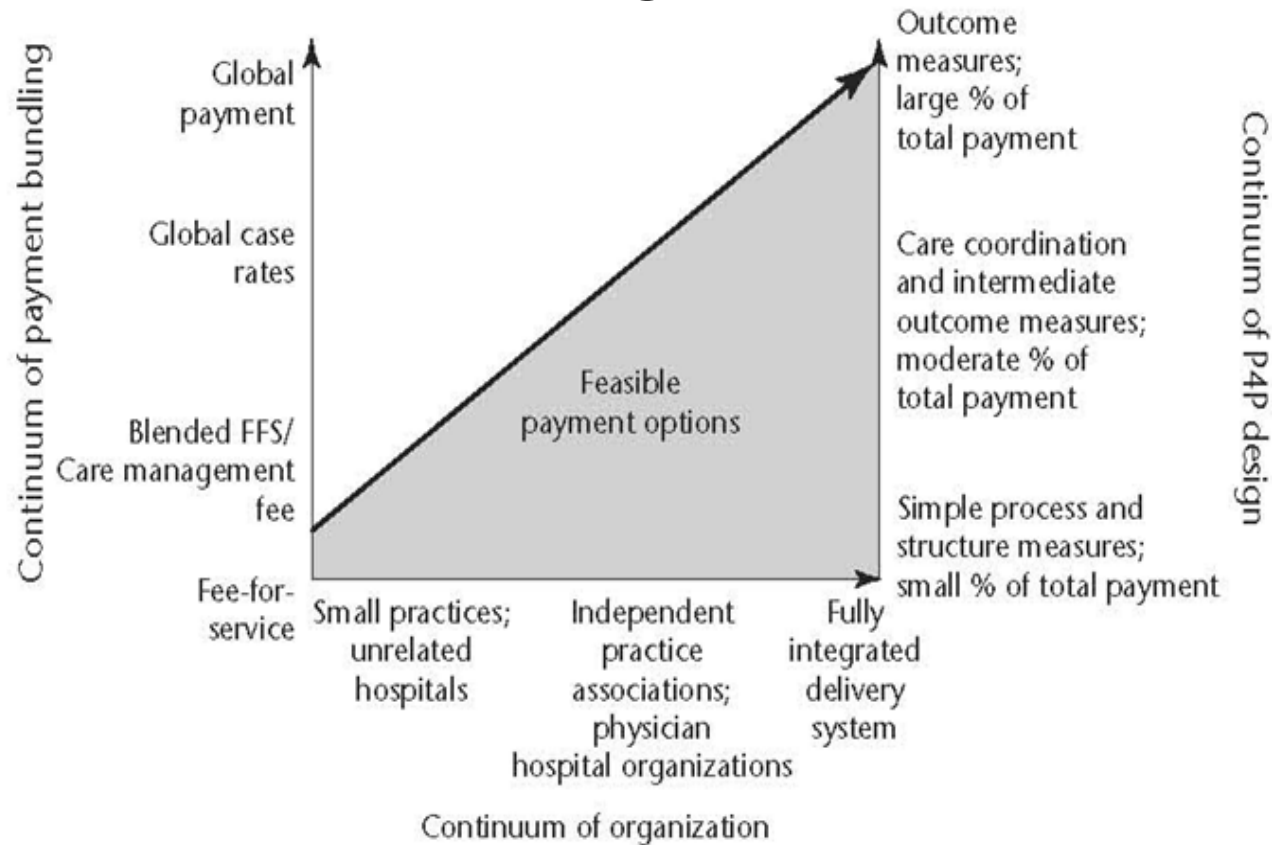

Besparing

Doelmatiger ingezette zorg is een besparing op zowel patiënten als populatie niveau

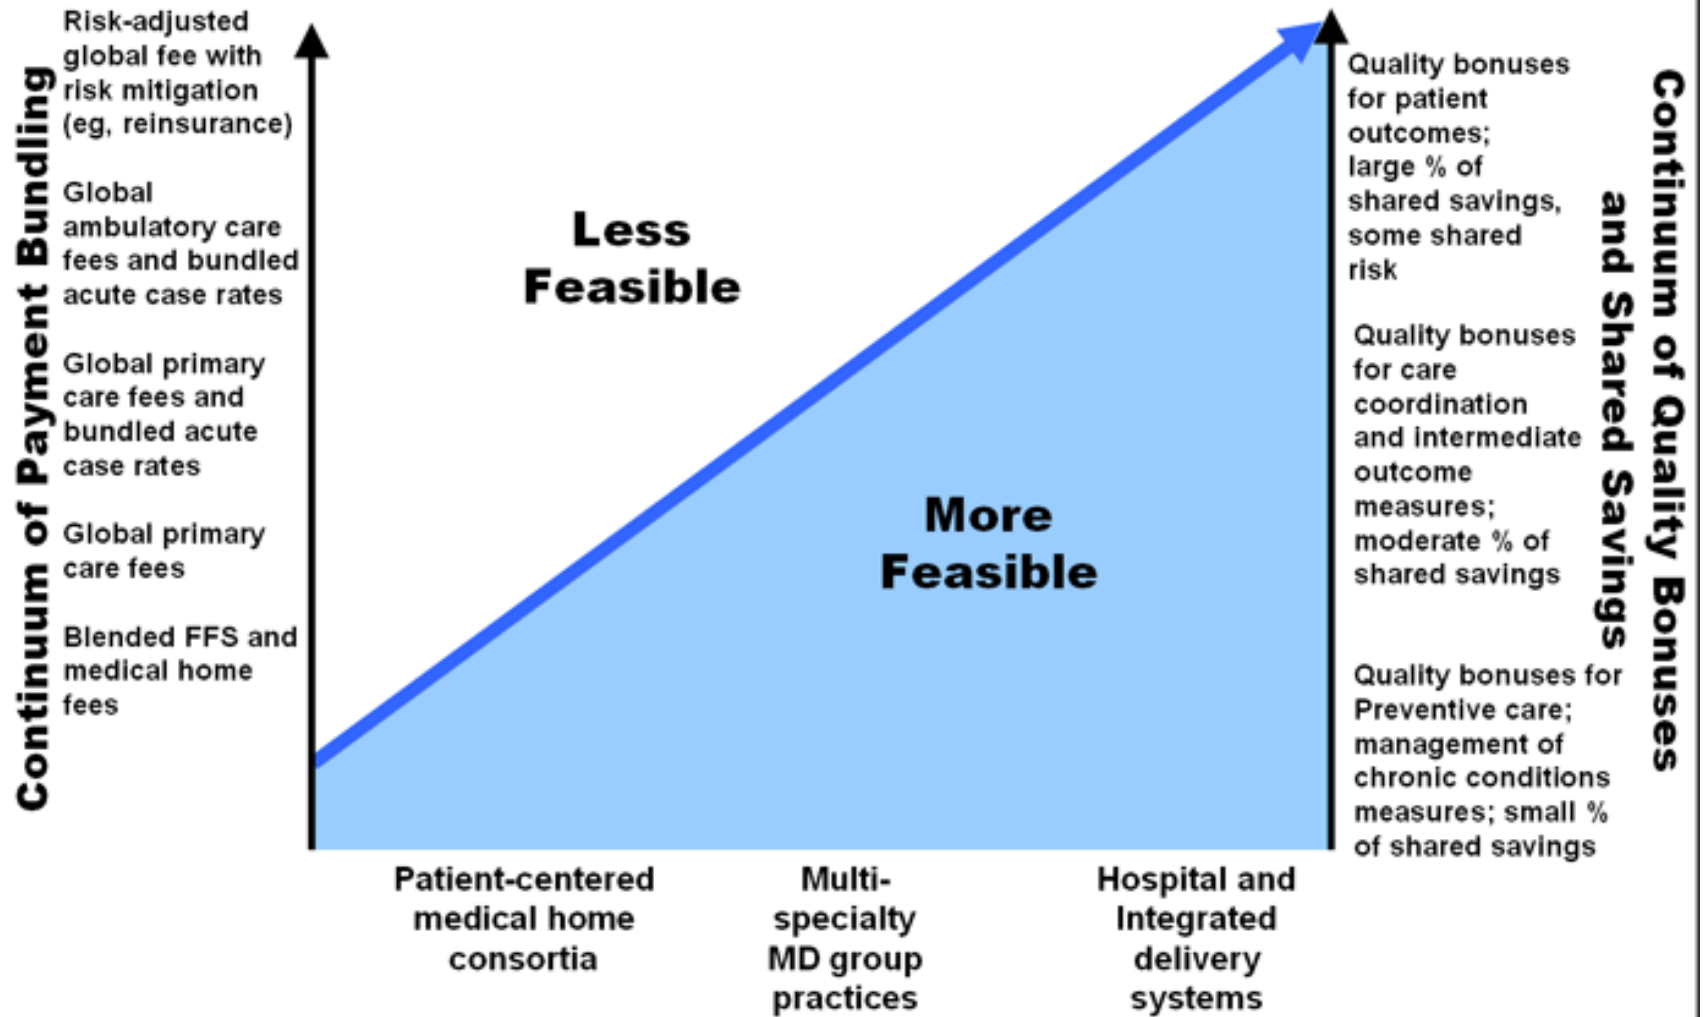

Pay for performance relatie betaling / kwaliteit/ organisatie
